Dear Sir

We refer to our major event on **Friday, 28th April, 2023: PROCESS AUTOMATION CONFERENCE & EXHIBITION "Driving Manufacturing Excellence Through Process Automation"** on occasion of **Automation Professionals Day**.

The event will focus on advanced process measurement and control products and techniques, case studies and papers by end-users, OEMs and experts, and a Honours and Awards function, followed by a networking dinner.

Sir, we feel pleased to announce the following Award to M/s Electronet Equipments Pvt. Ltd. with the citation:

Innovation Excellence Award

For Development & Market Establishment of Multiparameter Measurement Product ELNBAR

An innovative product for measurement of Flow, Velocity, Pressure, Level, Temperature, Conductivity and TDS among others, being highly effective even though cost effective.

ISA Pune Section and its Awards Committee congratulates you and Electronet Equipments for this achievement.

Thanking you in anticipation, and looking forward to your presence on 28th when we confer the award in our ceremony!

For ISA Pune Section

Gurmeet S. Anand
President (ISA Pune Section).
